**Jamie & Ryan McClennon
Foggy Bottom Farm**

In 2008, AEC implemented SCI's new 3% net typical rule in our hard antler competition. Typical classes consist of all antler entries whose TOTAL non-typical tynes score less than 3% of the net typical score. All non typical entries have non-typical tyne measurements that meet or exceed 3% of the net typical score.

Class Sponsored by: Herb Procknow, Alberta Antler
